Spanning over 150 years of history, the book reveals how a place seen as foreign and exotic by visitors is, in fact, a vibrant Chinese American neighborhood with a complex history and rich cultural legacy.

The event includes a Q&A session, book signing, and light refreshments.

Judy Yung is Professor Emerita in American Studies at UC, Santa Cruz. Some of her books include, *Island: Poetry and History of Chinese Immigrants on Angel Island, 1910-1940* (1980) and the award-winning *Unbound Feet* (1995).
